EXAMINER'S REASONS FOR ALLOWANCE

Examiner's Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: Claims 1-10 are allowable for at least the following reasons.

2.1 As regards independent claim 1, the following limitations, in combination with other limitations are neither anticipated nor made obvious by the prior art, *"modifying said definitional tables to correspond to said modifying of said representation to reprogram said operator interface on said computing device providing said operator interface"*. The Examiner notes that the prior art does not disclose the teaching of reconfiguring or reprogramming the operator interface, on the actual operator interface itself.

2.2 As regards dependent claims 2-10, they are allowed for at least the reasons that they depend from an allowed base claim.

2.3 Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
